

GREEN→EASE

How to install.

Line-a-bin

Reusable up to 3 months!

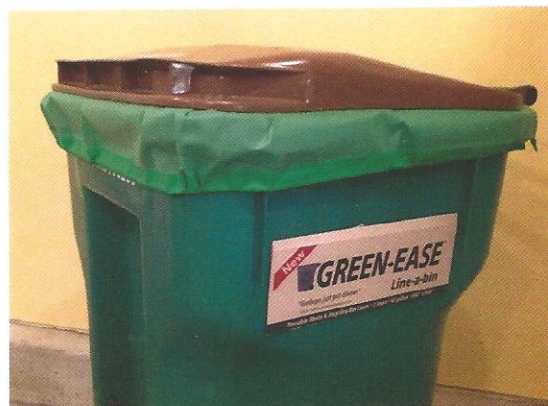

Green-Ease Line-a-bin will fit this size bin.
(Approx. 64 gallon)

Clean your bin before installing.

Insert Green-Ease Line-a-bin into bin with
drawstrings facing rear and tie.

It's now installed and ready for use!

Green-Ease Line-a-bin stays in your bin
while dumping.

When ready to be replaced, simply untie
draw string and fold liner into your bin.
Green-Ease Line-a-bin will release with
your waste on next pickup.
